TEMS DISHWASHER CAPSULE

56, 36, and 12 PCS

KEY FEATURES

Powerful Grease Remover

Effectively eliminates grease, starch, and protein-based residues.

Rinse Aid

Ensures sparkling, streak-free dishes.

Limescale Preventer

Protects your dishwasher and maintains performance.

Multi-Phase Action

Combines surfactants and active agents for superior cleaning.

Fully Water-Soluble Capsule

Releases all active ingredients in a controlled manner for optimal results.

Experience hassle-free, spotless dishes with TEMS.

WHY TEMS?

- **Multi-Phase Cleaning Power**

Tackles grease, starch, and protein residues.

- **Sparkling Shine**

Perfect results on glass and porcelain.

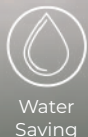

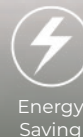

- **Hard Water Friendly**

Maintains top performance in all water types.

- **Fully Dissolvable Capsules**

Precise dosing and complete release of active ingredients.

Spotless dishes, effortless cleaning.

TEMS LAUNDRY PODS FOR COLORED FABRICS

TEMS LAUNDRY PODS FOR COLORED FABRICS

15 PCS

TEMS ColorLock laundry pods are specially formulated to enhance cleaning performance on colored fabrics while helping to preserve fabric colors.

The built-in enzyme system assists in breaking down protein-, starch-, and grease-based stains, while the color protection technology minimizes dye loss during washing.

This ensures that colored garments are not only thoroughly cleaned but also maintain their vibrant colors for longer.

WHY TEMS?

- **Color Protection Technology**

Helps keep fabrics vibrant wash after wash.

- **Enzyme-Powered Stain Removal**

Effectively targets protein, starch, and grease stains.

- **Effective at Low Temperatures**

Maintains cleaning performance even in cool washes.

- **Balanced Formula Gentle on Fibers**

Preserves fabric integrity.

- **Long-Lasting Fresh Fragrance**

Keeps laundry smelling fresh.

TEMS LAUNDRY PODS FOR DARK-BLACK FABRICS

TEMS LAUNDRY PODS FOR DARK-BLACK FABRICS

15 PCS

TEMS Color Lock pods are specially formulated to help preserve the appearance of black and dark-colored fabrics. Fading and dulling of dark& black textiles over time are often linked to microscopic fiber damage and dye loss.

The Color Lock formulation features a balanced cleaning system designed to minimize abrasive effects on fabric fibers.

This ensures that dark garments are thoroughly cleaned while maintaining color intensity and fabric texture.

WHY TEMS?

Special Formula for Black and Dark Fabrics

Protects the look and feel of dark textiles.

- **Fade-Resistant Cleaning System**

Helps prevent color loss over time.

- **Fabric-Friendly Cleaning Approach**

Maintains fabric integrity.

Effective at Low Temperatures – Delivers

performance even in cool washes.

- **Long-Lasting Fresh Fragrance**

Keeps laundry pleasantly scented.

TEMS LAUNDRY PODS FOR WHITE FABRICS

TEMS LAUNDRY PODS FOR WHITE FABRICS

15 PCS

TEMS laundry pods have been developed to help reduce the appearance of graying and yellowing on white textiles.

The enzyme system in the formulation breaks down organic soils accumulated on the fabric surface, making their removal easier.

Optical brightening components contribute to a brighter reflection of light from the fabric surface, helping white textiles appear more radiant.

WHY TEMS?

- **Optical brightening technology**

Provides brighter and more vibrant whites.

- **Enzyme-supported cleaning system**

Effectively breaks down tough dirt and stains.

- **Formula that helps reduce graying appearance**

supports maintaining the original brightness of fabrics.

- **Powerful stain removal performance**

Delivers deep and effective cleaning.

- **Single-dose capsule convenience**

Ensures easy and practical use.

TEMS HAND DISHWASHING LIQUID **DETERGENTS**

TEMS HAND DISHWASHING LIQUID DETERGENT WITH LEMON EXTRACT

500 ML

TEMS Hand Dishwashing Detergent contains a high-performance surfactant system developed to effectively remove grease and food residues.

The surfactants in the formulation emulsify oil molecules, making them easier to rinse away with water.

Its balanced foam structure provides users with both a visual and functional sense of cleanliness during washing.

KEY FEATURES

- Powerful grease-cutting performance
- Rich and stable foam
- Easy-rinsing formulation
- Refreshing lemon fragrance
- Hypoallergenic

TEMS HAND DISHWASHING LIQUID DETERGENT WITH MANDARIN EXTRACT

500 ML

TEMS Hand Dishwashing Detergent contains a high-performance surfactant system designed to effectively remove grease and food residues.

The surfactants in the formulation emulsify oil molecules, making them easier to rinse away with water.

Its balanced foam structure provides users with both a visual and functional sense of cleanliness during washing.

KEY FEATURES

- Powerful grease-cutting performance
- Rich and stable foam
- Easy-rinsing formulation
- Refreshing lemon scent
- Hypoallergenic

TEMS HAND DISHWASHING LIQUID DETERGENT WITH POMEGRANATE EXTRACT

500 ML

TEMS Hand Dishwashing Detergent contains a high-performance surfactant system developed to effectively remove grease and food residues.

The surfactants in the formulation emulsify oil molecules, making them easier to rinse away with water.

Its balanced foam structure provides users with both a visual and functional sense of cleanliness during washing.

KEY FEATURES

- Powerful grease-cutting performance
- Rich and stable foam
- Easy-rinsing formulation
- Refreshing lemon scent
- Hypoallergenic

TEMS RINSE AID FOR DISHWASHERS

WITH DRYING EFFECT

TEMS

BULASIK MAKİNELERİ İÇİN
PARLATICI
KURUTMA ETKİLİ
RINSE AID DRYER

- ✓ Göz alıcı parlaklık
- ✓ Su lekelerine karşı etki
- ✓ Kirece karşı koruma
- ✓ Cam ağızlarının karşı koruma

TEMS RINSE AID FOR DISHWASHERS

400 ML

TEMS Dishwasher Rinse Aid helps reduce water spots and streaks on dish surfaces after washing.

The surfactant components in the formulation lower the surface tension of water, allowing it to flow off surfaces more quickly.

This mechanism reduces the formation of water droplets on dishes, resulting in a brighter and shinier appearance..

KEY FEATURES

- Surfactant system that reduces water spots
- Shiny appearance on glass and porcelain
- Fast-drying performance
- Supports dishwasher cleaning efficiency
